# Beast Holdings Affiliate Disclosure

Last updated: September 27, 2025

## Purpose

This disclosure explains our relationships with affiliate networks, merchants, and advertisers and how those relationships may affect content on our sites and apps.

## What Are Affiliate Links

Some links on our pages may be affiliate links. If you click and make a purchase, we may earn a commission at no additional cost to you.

## Editorial Independence

We maintain editorial control. Recommendations are based on relevance, quality, and utility for our audience, not on commissions.

## Compensation & Tracking

Affiliate links use tracking parameters or cookies to attribute purchases. Compensation does not influence the price you pay.

## Transparency

Pages containing affiliate links include a clear disclosure near the top of the page or near the link. Sponsored content is labeled as such.

## Your Choices

You can avoid affiliate tracking by not clicking affiliate links or by using browser settings to restrict third-party cookies. See our Cookie Policy for details and opt-out options including Global Privacy Control signals where required.

## Conflicts & Removal

If we identify a conflict of interest or quality concern, we remove or replace the affiliate relationship.
